

CITIZEN'S CHARTER

Vision

Freedom from Biotic Stresses for Enhancement of Farm Prosperity

Mission

Alleviating Biotic Stresses for increased Agricultural Production

Objectives

- Provide scholastic leadership in contemporary areas and offer postgraduate degree in identified areas
- Develop suitable research projects in network mode on pernicious pestilence issues with desired plurality and priority
- Develop relevant policy support research for biotic stress management

Mandate

- Basic, strategic and adaptive research on biotic stresses in agriculture.
- Development of quality human resources for academic excellence, linkage with various stakeholders for technology management and policy support research.
