

**ICAR-NATIONAL INSTITUTE OF BIOTIC STRESS MANAGEMENT
RAIPUR, CHHATTISGARH**

**CELEBRATION OF INTERNATIONAL WOMEN'S DAY
(08th March, 2020)**

International women's day has been celebrated at ICAR-National Institute of Biotic Stress Management Raipur (Chhattisgarh) on 08th March, 2020. More than 85 women participants from nearby villages of our institute viz., Baronda, Adsena, Mura, Asonda, Mohadi etc were participated in this celebration with enthusiasm. Former Sarpanch, Baronda village Smt. Ishwari Gilhare, leaders and members of National Rural Livelihood Mission (NRLM) and women from self help groups were also participated. Smt Gilhari expressed her happiness for establishment of the institute for benefits to farmers and students of Chhattisgarh state in general and nearby areas of Raipur in particular. On this occasion, Dr. Sushil K. Sharma highlighted roles and contributions of women in national development including agriculture sector. Dr. P. Moventhan delivered lecture on role of women in doubling farmer's income. Dr. K.C. Sharma briefed about activities of ICAR-NIBSM for women empowerment. The overall programme was coordinated by Dr. Mamta Choudhary and programme ended with vote of thanks by Dr. Sridhar J. The programme was formulated by Dr. P. K. Ghosh, Director, ICAR-National Institute of Biotic Stress Management, Raipur (Chhattisgarh).
